Dear readers! In order to provide
you with the best quality manga, we're working
hard every day, but our devotion isn't enough we still
need HQ raws, which are quite pricey. We're still poor students
and such expenses are a bit too much for us, yet we would like to
start so many new projects! That's why we are humbly asking
our readers for small donations - even a small amount
is final Please support our team and help
us release more wonderful titles!
